I/We understand that :

- In case of allotment of the equity/rights shares, the DP account of the beneficiary as mentioned above would get credited to the extent of allotted equity/rights shares. The account gets debited after finalization of basis of allotment. For unsuccessful applicants, the lien on deposit account is removed within approximately 3 days after finalization of basis of allotment
- In case there is insufficient balance available in the applicants account the application will be rejected by the Bank itself.
- If the information furnished by the applicant is incorrect or insufficient, the Bid is liable to be rejected and Company or Self Certified Syndicate Bank would not be liable for losses, if any.
- This is Computer generated acknowledgement, therefore no signature is required.
